YOUNG REMBRANDTS DRAWING This curriculum is based on an acclaimed step-by-step drawing method which works hand in hand with an original, innovative curriculum developed by a team of artists and educators. Students will complete one new drawing each week as they learn art concepts including: portraiture, line and patterning, still life, color theory, realism/abstract, and perspective.

K - 5TH: 3:00 - 4:00

DATES: 2/4, 2/11, 2/18, 2/25, 3/4, 3/11

CHAMPIONSHIP CHESS Championship Chess presents a systematic, fun way to build chess skills during chess instruction while students play. Studies show that chess improves math, reading and problem –solving skills. Classes include instruction as well as chess play and guided analysis.

(EXPERIENCED PLAYERS) 1ST-5TH: 4:00 - 5:00

DATES: 3/11, 3/18, 3/25, 4/1, 4/15, 4/22, 4/29, 5/6, 5/13

FOUR SEASONS This sports program provides students the opportunity to participate in several activities. Each week, professionally trained fitness instructors will teach a new fitness lesson. Every lesson meets national and state physical education standards.

Fitness and Sports Covered:

- Aerobics
- Agility & Speed Training
- Basketball
- Circuit Training
- Flag Football

K - 5TH: 3:00 - 4:00

DATES: 2/5, 2/12, 2/19, 2/26, 3/5, 3/12, 3/19, 3/26, 4/2

BRICKS 4 KIDZ is a hands-on class where students build machines, buildings, vehicles and other structures out of LEGO® bricks, using one-of-a-kind model plans designed by Bricks 4 Kidz. They explore principles of engineering, architecture, physics and more, students will develop problem solving and critical thinking skills, building a new project each week. Each class begins with a teacher-led discussion related to the day’s model. Once the project is completed, children use the rest of their time to expand their gadgets and collaborate with one another. Students will work in a lab-type setting using LEGO® components such as gears, axles and beams. Instructional content is multi-disciplinary and designed by educators to increase student’s general knowledge and introduce S.T.E.M. (science, technology, engineering and math).

K - 2ND: 3:00 - 4:00 | **3RD - 5TH:** 4:00 - 5:00

DATES: 4/2, 4/16, 4/23, 4/30, 5/7, 5/14

YELL! STEM ACADEMY This STEM enrichment program is based on Science and Math exploration as well as technology, literacy and writing.
